Subject: Lynn Canal
Attachments: David Clark (clarkcattleco@hotmail.com).vcf

It has been brought to my attention that the Lynn Canal Project is being studied again. That is good and would be even better if all those who can make the decisions would decide in favor of the project. I want you two know that I support it and would encourage you to do so as well. Please proceed with the construction of the Lynn Canal Highway with all haste.

David Clark
Citizen from Fairbanks

Nature is so full of genius, full of Divinity; so that not a snowflake escapes its fashioning hand.

~ *Henry David Thoreau*
